

Tribute to women

EY partners and staff pay tribute to women by pledging lots and bidding their hearts out at a charity auction ...

In conjunction with International Women's Day in March, EY organised a charity auction to raise funds for two women-related charities - DOTS and Rumah Solehah.

The excitement began on auction day, 15 March 2013, when more than 130 partners and employees from the different service lines in the KL office came together to bid their hearts out for 15 one-of-a-kind lots. The auction raised more than RM 20,000.00!

Over the following two months, the respective lots were redeemed and some truly memorable lots included partners playing netball against the employees, partners getting their locks

sheared off to a crew cut, and the CMP and his team of partners having a Wii face-off with the employees!

Lee Soo Fern, Malaysia Talent Leader said, "EY's first charity auction has been a resounding success and has provided an excellent avenue for our people to get to know their colleagues and partners from other service lines. We deeply appreciate all the contributions which have been made, and would like to especially thank those who sponsored and participated in the auction lots for their time and effort in making each lot unique and unforgettable."

... and going pink in October!

EY supported Pink October by organizing a series of events throughout the month to raise awareness amongst its people about breast cancer. Our people came to work sporting a splash of pink every Friday, donated to the cause, attended an awareness talk by the National Cancer Society and participated in "Pink challenges" including submitting creative and fun shots of teams in pink wigs and tutus and performing their version of the well-known "Pink Glove Dance". As a firm, we raised more than RM 5,000 which was then donated to EMPOWERED, the Cancer Advocacy Society of Malaysia, and the National Cancer Society of Malaysia.

According to Lee Soo Fern, Malaysia Talent Leader, "EY's Pink October has been an excellent avenue for our people to support two worthy charities - EMPOWERED and the National Cancer Society of Malaysia. Each personal donation carries significant meaning as it will be used towards improving the lives of those who are affected by this disease, and towards raising awareness. We deeply appreciate the contributions that have been made and the participation of all our people in this noble effort."
